

burak

Burak is a composer, bassoonist, choreograph and director. In 2008 he founded Musica Sequenza in New York; an ensemble which stands for the innovation of baroque music with their inter-cultural productions. In 2010 Burak & Musica Sequenza moved to Berlin, where they practice new performance modalities through self-developed methods. Burak has created internationally renowned productions such as "Vivaldi: The New Four Seasons", "Bach: The Silent Cantata", "Hermes" and the immersive sound installation series "Transmute".
