

# burak

Burak is a composer, bassoonist, choreograph and director. In 2008 he founded Musica Sequenza in New York; an ensemble which stands for the innovation of baroque music and intercultural production. In 2010 Burak moved back to Berlin, where he practices new performance modalities through self-developed methods. Burak has created internationally renowned productions such as Vivaldi : New Four Seasons, Bach : The Silent Cantata and the immersive sound installation series Transmute.

Burak's musical activities have been seen in Europe, North & South America and Asia, in spaces such as
